

Parsa Niavand

Customer Support & Client Retention Specialist

Yerevan, Armenia • vvsparsa@gmail.com • +374 33 877 067
parsany.com • github.com/parsany • linkedin.com/in/parsany

PROFILE

Bilingual professional (Persian native, English fluent) with a Computer Science background and **3+ years of direct client-facing experience** in a technical production-software environment. Skilled at communicating clearly with clients, staying calm under pressure, and resolving issues via CRMs and ticketing systems. Seeking a customer support or client retention role in Yerevan.

KEY STRENGTHS

- **Languages:** Native Persian and fluent, professional English – comfortable handling high-stakes client conversations in both.
- **Client Communication:** Direct experience gathering requirements, delivering status updates, and resolving issues across **8+ concurrent client accounts**.
- **Technical Troubleshooting:** Strong analytical grounding for diagnosing complex issues and explaining them in plain language to non-technical users.
- **Data Comfort:** Experience building and reading live dashboards (SQL-backed), a natural fit for CRM reports and retention tracking.
- **Adaptability & Reliability:** Dependable problem-solver experienced in fast-paced, ticket-driven environments.

PROFESSIONAL EXPERIENCE

Fullstack Engineer (Client-Facing)

Full-time, On-site

Codesheen

Oct 2023 – Jul 2026

- Communicated directly with clients across **8+ concurrent production projects**, gathering requirements and providing clear, proactive updates.
- Diagnosed and resolved issues on live production systems, translating technical root causes into plain-language explanations for end users.
- Walked clients through bug reports, onboarding flows, and new feature rollouts, ensuring rapid resolution and high user satisfaction.
- Documented issues and workflows using Trello, ClickUp, and Notion, bridging technical and non-technical teams.

Selected Project Deliverables:

Goldenbat GPS Tracking

[\[Live Demo\]](#) [\[Dashboard\]](#)

Live fleet-tracking platform handling **10,000+ updates/min** – provided ongoing phone and ticket-based support to end users and fleet operators post-launch.

Alzahra Gold Wholesaler B2B Platform

[\[Live Demo\]](#)

B2B trading platform – assisted wholesale buyers with post-launch onboarding, order placement queries, and account support.

Atrafian Social Ecosystem

[\[atrafian.ir\]](https://atrafian.ir)

Real-time social app – provided direct user support for login issues, media uploads, in-app wallet transactions, and content moderation.

Bilingual E-Commerce Platform

[\[Live Demo\]](#)

Live bilingual e-commerce site – supported client stakeholders with product catalog setup and warranty verification flows.

Content Writer (SEO)

Contract

NoorNama

Oct 2019 – Jan 2021

- Wrote clear product and buying-guide content for a camera and digital equipment e-commerce site, explaining technical specs in plain language.
- Maintained a consistent publishing schedule – directly applicable to authoring customer-facing knowledge base articles and FAQs.
