

Parsa Niavand

IT & Technical Support Specialist

Yerevan, Armenia • vvsparsa@gmail.com • +374 33 877 067
parsany.com • github.com/parsany • linkedin.com/in/parsany

PROFILE

Technical software and IT support professional with **3+ years of experience** building, troubleshooting, and maintaining production systems. Skilled at diagnosing complex software/hardware issues, replicating and documenting bugs, and communicating root causes in plain language. Calm under pressure and experienced across ticketing workflows, live environments, and cross-functional teams in Yerevan.

KEY STRENGTHS

- **Technical Troubleshooting:** Direct experience diagnosing and resolving issues across live production systems and web/mobile apps.
- **Bug Documentation & Triage:** Experienced replicating, documenting, and tracking bugs via Trello, ClickUp, and Notion.
- **Plain-Language Communication:** Skilled at explaining technical concepts clearly to non-technical users in English and Persian.
- **Systems & IT Comfort:** Hands-on background with Linux Server, Bash, Docker, Nginx, network troubleshooting, and SQL databases.
- **Documentation & Knowledge Base:** Experience writing structured documentation, technical guides, and user onboarding steps.

PROFESSIONAL EXPERIENCE

Fullstack Engineer (Client-Facing & Support)

Codesheen

Full-time, On-site

Oct 2023 – Jul 2026

- Delivered Tier-2/3 technical support and communication directly with clients across **8+ concurrent production projects**.
- Diagnosed and resolved issues on live production systems, translating technical problems into plain-language explanations for end users.
- Walked clients and operators through bug reports, API behaviors, and new feature rollouts, ensuring quick resolution.
- Documented bugs and operational workflows using Trello, ClickUp, and Notion, bridging technical and non-technical teams.

Selected Project Deliverables:

Goldenbat GPS Tracking

[\[Live Demo\]](#) [\[Dashboard\]](#)

Live fleet-tracking platform handling **10,000+ updates/min** – provided post-launch technical and operational support for fleet devices and dashboards.

Alzahra Gold Wholesaler B2B Platform

[\[Live Demo\]](#)
